End of Term

Term one has been a long and busy term for everyone at NEPS. The students have been working hard at settling into new routines and the teachers have all been working hard at providing high quality learning experiences for all children. I'm sure that children and teachers alike are ready for a well-earned holiday.

Term 2

Term 2 commences for students on Tuesday 29 April. All students should be at school ready to start the new term’s work by 9.00am. I look forward to catching up on all the holiday stories when they return to school.

School Development Day

On Monday 28 April teachers will be busy with lots of professional learning based on student welfare procedures, assessment and reporting, programming and classroom preparation. At NEPS we are always looking for ways to improve the quality of our teaching to ensure that the students receive the best possible education. School Development Days provide teachers with the opportunity to participate in needs based professional learning.

Easter Hat Parade

It’s that time of year again when the children begin preparing for their annual hat parade. This year’s parade will be held in the school hall at 9.30 on Thursday 10 April.

ANZAC Service

The school ANZAC service will be held on Tuesday 29 April, Week 1 Term 2, at 12.30 in the school hall. Everyone is welcome to attend.

Have a great week!

Peter Collins

Last Garden Workshop for this term this Wednesday

This Wednesday 9 April will be our last Garden Workshop. Once again community members are most welcome. Students are reminded to wear casual clothes, a hat and bring a raincoat (just in case the weather is wet).

Any questions please see Mr Stovin-Bradford at the DSU.

FROM THE CANTEEN

Easter is only around the corner and we will be celebrating this Wednesday.

Hot Cross Buns will be available from the canteen priced at $1.00 each and chocolate Easter muffins with Easter egg will be 50c.

I would like to take this opportunity to say thank you too all that have supported the new menu and changes I have introduced.

Hope you all have a HOPPY EASTER and a safe holiday!!!!

For all those that haven’t already met me, my name is Ricki and I am now running the canteen. We have had lots of lovely feedback on all the new products we now have, to which a lot is classed as “Green” food. The slushy machine has proved to be very popular and also the fruit salad cups for 50c has been a winner!!!

I would like to let you know that we now have a coffee machine up and running, with prices varying from $2.50 to $3.50.

I am introducing a new winter menu which will be available from the start of Term 2. This will include homemade items such as spaghetti, chicken and homemade beef patty burgers, toasted subs and soups of the week just to name a few.

I will be supplying birthday cupcakes for busy parents as of Term 2, parents must order their child’s birthday cupcakes at least a week in advance and they will be sent to the classrooms just before recess bell on the day of the birthday. This will cost parents $20. One cupcake will be made for each child and one for the teacher.

I would like to thank you all for the wonderful support I have had since starting, especially to those that came and helped out...what a team!!!
