PBS Focus: Being a Good Loser

- Say “Everyone can’t win.”
- Say “Maybe I’ll win next time.”
- Do something else

Welcome to Term 3

While the weather has been a little chilly to start the new term I have been very pleased with the way the term has started. Students have been well engaged in their learning and I look forward to seeing great work done in the classrooms.

This term will be a busy one with our 50th anniversary celebrations taking place in August, Education week next week and Book Week in Week 6.

These events are all great reasons to come to the school and join in the celebrations or to see how the kids are going. I hope to see as many parents and carers as possible visit us during these events.

Education Week

Next week is Education Week.

During the week there is a number of activities taking place.

The chess teams will be competing in the NSW Chess League at Nowra Public School on Tuesday.

Stage 2 students will be going to Illawarra Environmental Education Centre on Wednesday. The Shoalhaven River Learning Community will be hosting performances in Stockland Mall on Thursday. Finally, the Shoalhaven PSSA Athletics Carnival will be held at Shoalhaven High on Friday.

Open Day Thursday

Our traditional Open Classroom Day will be held on Thursday 7 August. Parents, carers and friends are invited to come up to the school from 12.30pm to visit classrooms and see what is going on. You may like to stay and have recess with the children and then join us in the hall to hear about our Smoking Ceremony that will be performed by Uncle Andrew, that will formally start our 50th celebrations.

Book Fair

Mrs Horton has organised a fantastic Book Fair in the library. Children are currently looking and making a wish list of purchases. If you have the time please come and have a look at the Book Fair before school starts when you drop the children off or at the end of the day when you pick them up. This is a great opportunity to buy some great presents.

Have a great week!

Peter Collins
Principal
Our book fair is on in the library this week. All classes will have a chance to choose books they like during their library time.

The library is open before and after school for parents and carers to come and browse too.

We have lots of lovely books on offer, and the novelty items are very popular already.

If you choose to buy a book the payment must be made at the office and the slip with receipt returned to library so we can process the order.

Payments MUST be made by Friday 25 July at the latest - no orders will be taken after this date.

BOOK WEEK
Book week dress up parade will be held on the 20 August. Students can dress up as their favourite book character.

Mrs Horton

---

We will be having our first garden workshop for this term on Wednesday 23 and then another workshop the week after on Wednesday 30. Aaron will be continuing to run the workshops that are generously being supported by the AMS.

Students are reminded that they need a hat and good footwear. They may wear casual clothes to the workshops.

This term we are very happy that Berry Sourdough Cafe and Milkwood Bakery will be supplying bread for lunch at the workshops.

Mr Stovin Bradford
