STAFFING NEWS
Congratulations to Mrs Goldthorp who has just been appointed as a Networked Specialist Facilitator in the Wollongong region, commencing 10 August 2015. Mrs Goldthorp has been a great asset to our school in her relatively short time with us. I know you will all join me in congratulating her and wishing her every success in her new role with the Department of Education. I know she leaves with mixed emotions, as she genuinely loves the NEPS community. Her skills as a great teacher for her students and as respected colleague will be sorely missed.

No decision has been made about Mrs Goldthorp’s replacement as yet. Parents of students in Platypus will be notified as soon as a replacement has been appointed.
