NOWRA EAST PUBLIC SCHOOL
K-2 HOMEWORK POLICY

Kindergarten ES1

Students in Kindergarten are not expected to complete formal homework activities. However, they are encouraged to participate in the Home/School Reading Program. This should only take a short time each night and should be an enjoyable time reading with or to a parent. Kindergarten students may also spend a few minutes practising their Sight Words.

Stage One

Students in this Stage may be given regular Homework activities. They may be asked to participate in the Home/School Reading Program and to complete exercises to practise newly acquired skills. This homework is not compulsory but students are encouraged to complete it and given support when needed by their teacher.
